These holy documents establish our Cosmic Birthright in Life & Truth, forever; so therefore is the Love of Yahweh vindicated, and established even in our high esteem always, even that our Faith in Him be accomplished by Him, in His precious Son.

*Dare We Peek Past the Misty Veil, And Peer Into the Consuming Vault?*

**TEN COMMANDMENTS OF YAHWEH** ...Deut. 5:7-21-kjv.

**Spiritual Law of Love, Life & Truth: Birthright.**

1. Thou shalt have none other elohim (deities) before Me.
2. Thou shalt not make thee any graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the waters beneath the earth: thou shalt not bow down thyself unto them, nor serve them.
3. Thou shalt not take the name of Yahweh thy El, in vain; for Yahweh will not hold him guiltless that taketh His name in vain (for nothing).
4. Keep the Sabbath day to sanctify it, as Yahweh thy El hath commanded thee. Six days thou shalt labour and do all thy work, but the Seventh Day is a Sabbath unto Yahweh thy El; (in it) thou shalt not do any work ...;
5. Honor thy father and thy mother, as Yahweh thy El hath commanded thee, that ye may live long in the land!
6. Thou shalt not kill.
7. Neither shalt thou commit adultery.
8. Neither shalt thou steal.
9. Neither shalt thou bear false witness against thy neighbor.
10. Neither shalt thou desire thy neighbor's wife (and/or kids); neither shalt thou covet thy neighbor's house, his field, or his manservant, or his maid-servant, his ox or his ass, or anything that is thy neighbor's.

**1. Love of Creator;** no other deities (*false gods or idols*) but the singular Creator Deity Yahweh. All other deities are but figments of our simple mortal minded imaginations and materialistic perspectives, and/or misinterpretations and misconstructions of the concept of a Creator Deity. We all have the Right to Love and Honor this unique and awesome Being and to enjoy "His" participation in our lives, without ridicule or persecution, or ridiculing or persecuting.

**2. No Idolatry;** i.e. Nature religions and worldly, deceptive religious ideas or concepts which are figments of our temporal imaginations (*and oftentimes purely wishful thinking, or simply habitual traditions*); such which perpetuate the lies and prejudices of Ego and the material mentality, such as the Pecking Order (*etc.*). Idolatry associated with Religiosity.

**3. No Taking Yahweh's Name in Vain;** no religious and spiritual hypocrisy, or vacuous religious practice of outward appearance of religious belief, omitting Yahwism's substance, even the concept and truth of true Freedom. Much Religiosity, especially without Faith & Love.

**4. Sabbath Day Rest;** divinely appointed and granted, reserved Right to routine Seventh Day of physical rest and spiritual rejuvenation, even without persecution or persecuting. No routinely established business or trade ("*servile labor*") on this designated Sabbath. Respect for others' and animals' Right to this period of rest and rejuvenation as well, even for the sake of their/our longevity. Sabbath protects us all from the irreligious.

**5. Parental Respect;** honor parental authority so far as such authority does not eclipse personal and/or divine authority. This promises extension of life/longevity. This commandment also defines parental authority to be superior over young offspring, to the authority of any state, assembly, group, or other individual who pretends to establish itself/themselves over parental authority and so eclipses divine authority and parental authority alike. This commandment honors Birthright in parents, and in family dignity (*chap. 31*).

**6. No Murder;** lust for blood, and passion for self righteousness which directly violates one's Right to Life, quite literally, especially. Vindictiveness and Bloodlust, robbing another living human being of his/her precious Life; taking another's life as if one is their judge or deity. Whosoever indulges in this bloodlust/bloodletting, immediately forfeits his/her own Right to Life, and puts him/herself at the mercy of his/her accusers'/victim's survivors, who have the right to Justice under Moses/Condemnation; but under Yahshua/Mercy and Grace, hopefully these Accusers will hesitate to "cast the first stone" at those who violate this Commandment, that they may offer up repentance and restitution to their Maker, to receive Pardon and Salvation, for every Life is precious to Yahweh. Hopefully the victim's survivors' demands for Justice will be tempered with Mercy and Wisdom, with due respect to Yah's Grace for their own selves as well. Hatred/prejudice are precursors to murder (*hence, "who hates his fellow without a cause, is in danger of Gehenna"*). To overcome prejudice and hatred is to overcome bloodlust, hopefully BEFORE any literal bloodletting.

**7. No Adultery;** unfaithfulness in a committed male/female relationship. Responsibility to spouse, even for sake of little ones born of the union, and for self respect and honor. Breach of this commitment is robbery of the violated one's time, energy and resources, and of their personal trust and love, none of which can be replaced. Violation of commitment violates the partner's freewill, free choice and personal authority, and renders them 'used,' i.e. enslaved, without free choice, thus eliciting passion and outrage, effecting tragedies therefrom.

**8. No Theft;** Safeguard of Right to Life, even property rights, including the body. Safeguarding of body, tools of creativity, productivity, stability and prosperity, even the safeguards and tools for perpetuation of Life and Family. Lost time, effort and energy spent in acquiring such tools that preserve one's productivity and longevity. Steals property and life of fellows, and establishes chaos, want and poverty. Violates freewill, free choice, personal authority, and makes victim to be as a slave to the thief.

This likewise includes robbery of another's physical or bodily capacities and resources by which we achieve prosperity, including mutilation of victim's body, howsoever, that they may no longer use it to sustain life and joy (*and/or mental stability and capacity*).

**9. No False Witness;** extremely negative and malicious aspect of competitive nature: defamation of character, slander and backbiting, malicious gossip, guile, jealousy, greed, vengefulness, contrivance to ruin and rob another by means of lies, perpetuating severe chaos, poverty and death. Elicits extreme passion for justice and revenge/retaliation. Darkest side of human nature, next to murder. Entirely dishonest/ selfish, extremely destructive behavior, absolutely immoral and antisocial, wholly self serving and transparently dishonorable, and typically covert and malignant. Powermongering, cruelty and cowardice. Of all thefts, the most malignant and disruptive.

**10. No Coveting;** obsessive fixation on acquisition of material assets-gain, and of material power, oftentimes but not singularly at another's expense. Negative aspect of a more competitive materialistic nature in mankind. Violations exhibit lack of self respect, and encourages irrational, compulsive, chaotic and devious behavior, and leads to temptation to defraud/steal, even to make a spoil of another. Lust for another's wealth, property, blessings and even family. Coveting even of other persons, such as another's wives, children, or pets and livestock, whatever. Greed or avarice. Perpetuates materialism, even at expense of one's spirituality. Leads to all sorts of dishonor and chaos.

The Ten Commandments are our Creator's unique Laws for His Free Universe (*or Cosmos*), i.e. such are irrefutable and absolute Cosmic Law. Our Earth, residing in Cosmos, is subject to this absolute and irrefutable Universal Decree. These most distinctive Ten Commandments are therefore the "mark" or 'Signature Law' of this greater Authority who refers to Himself as Yahweh (Creator). Whoever respects and upholds these Ten Commandments are respecting and upholding Yahweh's First

Authority in Cosmos, and are in submission to this superior and absolute Authority, being "marked" on the brow (*in the mind/conscience*) with this, Yah's 'signature' Law, the very symbol of this Creator Deity's Authority. This is Yah's mark or signature upon the faithful, indicating who are actually in submission to this absolute First Cosmic Authority, by being in submission to His signature Law of Life, in Cosmos. Because one respects and upholds the Ten Commandments, and has the testimony of the Son (*indicating adherence to this First Authority*), so one has the "mark" of Yah's Authority in one's mind and conscience or "upon one's brow." These significant Commandments are the signature of this First Cosmic Authority, within us, which Commandments are the Law of Life and Love (*"who keeps the Commands of Yah and the testimony of Yahshua."* Rev. 12:17).

## 30. The Essence of Genesis

For Virtue's Sake I've Lost Thee; For Folly's Sake, I Abandoned Thee!

### Origin & Birthright established:

Right to Life = Freedom.

Birth of Adam in the Earth, made from Earth's dust.

Extraction of Eve from Adam's SIDE (rib):

**EQUAL Authority established** (*equality in Rank and personal authority/autonomy*).

**Tree of Life:** Establishment of Immortality/Eternal Beingness.

**Tree of Knowledge:** Establishment of Mortality/i.e. Temporal Beingness.

### Eating of Forbidden Fruit:

Establishment of Freewill and Equal Authority;

Eve choosing freely of her own freewill, to pursue the Mystery, without application to Deity/other guy (man = husband) for their permission.

**Cause: Original Sin Established:** Eve making Self, and Other Guy, and Deity, all Expendable to her own personal ends: all three = expendable:

**Eve=Expendable; Adam=Expendable; Creator=Expendable:**

Effect: Damnation/establishment of (concept of) Cause/Effect; Action/Consequence, even forfeiture of Right to Life by "mortal sin" ("deadly" sin), i.e. consequence of action:

**Cause = Lack of Faith (in Yah's Word & Will=Love); and,**

**Effect = Fall from Grace.**

**Eve's Curse:** cessation of man's trust in woman (+painful childbirth).

**Adam's Curse:** chaos, poverty (and "domestic strife").

End RESULT of loss of Faith/fall from Grace = mortality (all mankind, cut off from Tree of Life=**begin, Temporal Age of Earthling Mankind**).

**Promised Seed:** Establishment of Redeemer ~ Savior who binds Heaven and Earth, i.e. "Seed of Woman" who "crushes" Serpent's Head, i.e. discontinuation of Temptation and Establishment of Restoration of Faith and Grace; Immortality restored, Birthright achieved (regained)=begin, Eternal Phase of Earthling Man. Thus, Savior ("Seed of Woman") establishes what Deity intended for Mankind, which Mankind in his/her ignorance, lust (for knowledge, in Eve's case), and lack of Faith, disestablishes for him or herself: transcendence from dominance of Material Mentality, to dominance of Spiritual Mentality;

### **Life & Freedom Restored!**

Establishment of Origin/Cosmic Birthright; Cause and Effect;  
Freewill + Equal Authority/Responsibility + Trustworthiness=  
Immortality, by system of Faith & Reward, and not Force & Control.
