Just Who is Yahshua *REALLY*?

Yahshua is the Beginning of the Creation of Yahweh, i.e. His "Son" and "Heir" to all Creation, even the "Living Word" of Yahweh who is our Creator and Owner; even by whom Yahweh Created the Universe and Everything herein, meaning Yahshua is the First Scientist in all Creation, and is extremely intelligent and thinks objectively and so with a purpose accomplishes his Father's Will on behalf of us all, even we who were made by these holy Elohim (*who are Yahweh and His "firstborn" Son Yahshua*). These Two Elohim are the Original and true First Authority in Life & Truth, by whom we shall all be Graced so as to Live Forever in Their Universe They made for us, and for Themselves: even for their joy in their great work which they have revealed to us by means of the Holy Bible & the Holy Spirit given to Their Elect upon our acceptance of and faith in Them, even in our Reconciliation to Life & Truth, through Their Plan of Salvation which these great beings called the Holy Elohim (*MightyOnes=Heb.*) provided us, that we may be called forth to Life Eternal in the First Resurrection soon upon us. And that is Saving Truth.

So Who is Jesus *really* and does that name apply to Yahshua?

The Savior of the World is Yahshua and is a Jewish Prince of the Line of Judah, in Antiquity, who was born into the World through a young faithful Jewish girl who had "not yet known man." She was hurriedly married to Joseph after learning of her miraculous pregnancy. And so Yahshua was born to her in Israel, and thereafter she had more siblings for him by her husband Joseph. He was honored to thus accomplish the fulfillment of his Father's Plan of Salvation, and yes it was very difficult for him and he suffered horribly to do this task.

In the Greek, in antiquity, his name underwent some corruption, and then again, suffered a few more corruptions until they came up with the corrupt form we all regard as this great Prince's real name (*Jesus/Iesus/Iesous*), but it is not his name at all (*Sacred Names of Elohim~kmy**) and there is no salvation in that erroneous name.

This erroneous name "Jesus" was adopted by the modern day Pagan Babylon; "Babylon the Great" is the term for this ancient Pagan Solar Temple of the Antichrist who was called Tammuz and the "Savior of Babylon" in those ancient days. Thus to confuse us all was the point.

So NO, the name Jesus does NOT in fact apply to the Jewish Prince our Savior Yahshua, but is applied to Rome's (Babylon's) fake savior instead, thus we must rise above the confusion and take the real name of our true Savior who will reside with us all forever in the New Earth, His New Jerusalem, in perpetuity. To use the name of Jesus, after learning the truth of the matter, is not honestly embracing Saving Truth. So go do your homework if you have not yet figured this out, that you may get the fullest blessing of the Holy Spirit given to you upon evidence of your good Faith in this Nazarene! *So be it.*

Does Water Baptism matter?

Yes it does, absolutely. Remember what Yahshua said to John the Baptist who refused to baptise Yahshua as Yahshua desired? He said to John, "*Suffer this now, for thus it becomes us to fulfill all righteousness.*" It is thus written, even a direct commandment from Yahshua himself, for us all to thus be "fulfilling all righteousness" by water baptisms pertaining to the Faith of this Nazarene. And we must not question it, to delay the experience, because it "becomes us" to do this act of faith, thus we can expect a blessing within, promised to we who thus comply, which blessing therefrom is to receive the promised holy Spirit into ourselves, to have Yahweh within ourselves, for guidance in and revelation of His Reality, therefore becoming indeed, "Born Again" into our Faith in this Nazarene. Then we are removed from the World of Man, thus being convinced of Sin and having been given an Eternal perspective on Life & Truth through this Holy Spirit within ourselves, and thus are we withdrawn from out of Man's temporal World into Yahweh's eternal domain, the promised Kingdom of Heaven, *in due course.*

Many "Christians" remain in the World still not thus complying with Yahshua's command, not having yet received the Holy Spirit within, to guide them into All Truth, and to Saving Truth, these are not *Born Again* Christians, having yet to fulfill this duty to Elohim.

29. The Golden Vault & the Priceless Pearl

*I Have Hidden You in a Secret Chamber in My Tabernacle,
In the Recesses of My Holy Place,
Behind the Veil of Mystery, Beneath the Seat of Mercy,
In the Hidden Chamber of My Heart!*

The Heavenly Sanctuary of Yahweh establishes in all Creation, the Right to Life of All Cosmic Citizens, and the Right to Perpetuation of this Life, even by means of Conscience, Freewill and Equal Authority-Autonomy. He Placed His Earthly copy in no other city than Jerusalem which He has chosen for Himself, forever.

There is the Authority, and then there is its Witness. A Witness cannot supersede its Authority, and yet remain its Witness. Who validates and establishes their Authority, not presuming to supersede it, is in accord with it. Who presumes to supersede their Authority, is not in accord with it, nor establishing it, but rather rendering it obsolete. Any witness who presumes to supersede or supplant the First Authority of Life, is no longer acting as a witness thereof, but is presuming to usurp its position of authority, which is not even remotely possible. Therefore Yahshua, the First Witness of the First Authority of Life and Truth, will not preempt his Father~Authority, his stating clearly that "*the Father is greater than I.*"

Saving Truth is the Word of Yahweh our Maker, in His First Witness Yahshua who substantiates this First Authority and His Saving Truth, in the Earth and Heavens alike. If Saving Truth were not established here, by means of the First Witness, we would all "**have no sin.**"

The holy Spirit is granted to us by this First Authority, via. His First Witness Yahshua the Nazarene, who is established by this First Cosmic Authority of Life, as High Priest of the Heavenly Sanctuary (*from which, Moses reproduced his earthly copy*).

This unapproachable Heavenly Sanctuary envisioned by John the Revelator (*Rev.4:2*), established in the midst of the Heavens, before all the holy Messengers, is an eternal testimony of the righteous Justice

and Mercy of this unsurpassable and original First Authority, this Creator Deity and Author of Life & Truth. And so it remains a permanent and perpetual Record of the Purpose, Will, Law, and Cosmic Order of this vast universal Realm of the mysterious and singular Sovereign of Existence who calls Himself Yahweh.

Within this Holy Sanctuary, stored in its precious Golden Vault, lies the supreme and universal Spiritual Law of Life, establishing our Birthright in Life: even our Freedom, the most priceless pearl indeed, the very substance of our lives; and within, deposited in its side, the Plan of Salvation illustrated in the Sanctuary and its Services, as our application for Eternal Life.

And this Original heavenly Sanctuary is in the incomprehensible mind of Yah, and in His Lamb, as indicated by Revelation concerning the New Jerusalem coming down out of the heavens, to be situated in the Earth forever; thus is this Sanctuary brought to the Earth even in the person of Yahweh's First Witness:

Rev. 21:22; And sanctuary saw I none therein; for Yahweh El, the Almighty, is the Sanctuary thereof, and the Lamb.

21:1; And I saw a new heaven and a new earth; for the first heaven and the first earth have passed away...

21:2; And I saw the holy city, New Jerusalem, coming down out of heaven from El...

21:3; And I heard a loud voice out of the Throne, saying, 'Lo! the Tent of El is with men, and He will tabernacle with them...

21:4; And He will wipe away every tear out of their eyes, and, ...the first things have passed away."

The First Authority of Life establishes His Cosmic Domain with its orderly and prosperous existence, by means of His First Witness Yahshua who as High Priest of the Sanctuary, binds this Covenant of Life to us (*even by his blood oath*). And so this Holy Covenant is our Alliance with Life Eternal, by means of its Author, Yahweh, even through His High Priest of the Heavenly Sanctuary, even for perpetual Life and Cosmic Citizenship in all the Universe.

In order to benefit from and maintain this Covenant of Life, are we allied to Life & Truth, by warrant of this First Authority of Life, in His Universe: even in His Word, Yah's First Witness by whom this sublime Sanctuary Covenant is secured, and by which Heaven & Earth are bound into one great Cosmic Union, even in defiance of the Oppressor, soon to be annihilated forever by the Freeborn of Earth and the Power of Heaven. Thus is this Holy Alliance, the Elect of El, sustained by Faith, even in their unadulterated Saving Truth, and in their will to Overcome Satan;

And so is our Redeemer bound to carry out this Covenant with His elected Heirs of Life, those of us who shall choose to apply to this First Authority, for Life Eternal, in the name of this First Witness, Yahshua the Nazarene. And so according to this Covenant will Yahweh accomplish His word and will in us, when we grant this First Authority and His First Witness authority to accomplish Their work in us, according to their ancient wisdom and profound ability. They must have our permission, for it is against their highest principles of Freewill, to violate our sovereignty of mind, conscience, personal authority and autonomy, which they prefer to rather establish, than violate. Hence we are inclined to participate in the submersion or baptism in water, which, as well as being a public vindication of this First Witness, is an outward symbolic testimony that we are thus therefore granting these excellent Friends and supernatural cosmic Allies permission to carry out their profound Work and Will in us, so that we may become Heirs to Eternity with Yahshua. Thus we willingly submit to the subsequent and inward *baptism by fire* which *quicken* (*substantiates*) this immortal Life, within us.

We, of ourselves, cannot hope to accomplish such a work in us, as these ancient and experienced Eternal Ones are able, ready and happy to accomplish. And so because of our commitment, and with our permission, shall they proceed with Their holy work in and for us. By this Covenant are we guaranteed these promises. Not by our works, or mortal minded efforts at obedience, or 'behavior modification,' shall we achieve Life, but it is achieved for us, even by Their supernatural power and great wisdom. We need not count, therefore, on our all too

easily exhausted resources which may all too often prove to be insufficient, but we may faithfully count on Their Own inexhaustible and spiritual resources. These Ancient Ones will do their Saving Work of their Own incomprehensible ability, in us, and according to our necessity, with our permission and by means of our Faith in Them, even our faith in Their unsurpassed Love and supernatural abilities.

If we wish to enjoy our Freedom and Life, always, we must therefore apply to Yahweh, the First Authority of Life, for our Heavenly and Earthly Birthright in Life. And so in Yah's anointed First Witness, Yahshua, shall we be granted this wonderful gift, even by means of our faith in him. If we do grant these powerful cosmic Beings the permission and authority They require before commencing Their effective work in us, so we do apply for this Birthright and Covenant. Thus in Messiah shall we achieve this Birthright in Eternity, which we do claim in his name, as Heirs of Life. But those of the Alien Oppressor will never achieve their eternal inheritance, forsaking both Heaven and Earth, Life and Truth.

Thus this offered Covenant is as a Will, and its applicants are its lawful beneficiaries; who bears the Father's name, even who is "adopted," is considered the legitimate offspring and heir. Thus for the sake of Yah's own name and purpose, will He change us from a mortal minded material mentality, to an eternal minded spiritual mentality: from corruption, to purity of conscience and beingness. And because of this purification accomplished in us by these Cosmic Authorities, will we be enabled to embrace our Eternal Birthright in and of Life, and be enabled to fulfill our individual human potential, both spiritually as well as materially, forever, even in our fair Earth and wonderful Cosmos.

If we apply for this Covenant, being true to Faith in the First Cosmic Authority, then this Covenant of Life will apply to us. If we deny this Covenant, it simply will not apply to us, and this Birthright is forfeit. We must choose of our own Freewill, whether or not we want this Covenant to apply to us. In choosing that it shall apply to us, we must ally ourselves with the greater heavenly Authority, in defiance of the lesser worldly authority, Yah's Adversary, the Destroyer, **the Loser**.

Thus we allow the inward Spirit given to us through this Sanctuary Priest, to illuminate for us Yah's Covenant & Plan, safely secured in His heavenly and unapproachable Golden Vault, amidst the Stars of Heaven. Many seek Moses' mere copy of this Vault, in the Earth, but the heavenly Original yet resides in the very midst of Cosmos, in the eternal presence of the Throne of our almighty Creator Deity Yahweh. There this Golden Vault remains, immovable, betwixt Creator and Created, as a perpetual Record and Witness to the Word, Will, Law, Order, Mercy and Faith of the omnipotent First Authority of Life & Truth, in His universal domain, forever and ever.

The Golden Ark of El's Covenant

Within Yah's Heavenly Sanctuary resides the official Testimony of the very substance of Life, even a permanent Record in this vast universe, bearing witness to the Purpose, Will, Law, and Order, and Mercy, of our mysterious and singular Sovereign of Existence who calls Himself Yahweh.

Therein, established in the Earth as well as in the Heavens, even in all Creation, remains Yah's Testimony of our sacred Right to Life of All Cosmic Citizens, and the Right to Perpetuation of this Life: within the very center of this Heavenly Sanctuary, stored in its precious Golden Vault, lies His supreme and universal Law of Life, establishing our Birthright in Life, even our Freedom, the most priceless pearl indeed, the very substance of our lives. This Testimony, and accompanying "*Plan of Salvation*," is Yah's ultimate and essential Saving Truth.

Within this heavenly Sanctuary are Two Rooms, one *Holy*, and the other *Most Holy*. Within the center of that "**Most Holy**" room, beyond the Seven Golden Candlesticks, behind the Veil, under the spreading wings of the Cherubim (*young oxen, not babies* *), lies the fine golden Box called the Ark of the Covenant, the Top of which is the *Seat of Mercy* upon which is sprinkled the Lamb's blood from the *daily sacrifice*. Within the very heart of this fine golden storage Vault, under its *Seat of Mercy*, lies the very content and purpose of this Treasure House: that would be the inscribed Tablets of Stone or the Moral Code, even the

Ten Commandments of Yahweh, enduring throughout the ages. These invaluable Artifacts lie in the very heart of this fine golden Box or *Ark*, in the heart of the *Most Holy* room, in the heart of the heavenly Sanctuary, in the heart of the universal Realm of the Supreme Authority of all Creation who is the one and only Sovereign of Existence: how important can such documents be?

These "Holy" inscribed stone tablets are firmly secured in this sacred golden Box, in this sacred Place, in this unapproachable holy Room in the midst of the Heavens. This Sanctuary is a Holy Place, with Holy Things that shall never be discarded nor superseded, superimposed nor supplanted, nor usurped, by anything or anyone, ever. None may approach the inner sanctum of this holy Place, except the singularly qualified and anointed High Priest who alone may enter behind the Veil and approach the sacred Golden Vault containing the most sacred artifacts of the Covenant within its heart, even the Covenant of Freedom, Life and Love: Yahweh's Eternal Covenant, even our Birthright in Life & Truth.

These documents that make up the Sacred Covenant stand as a universal Witness, perpetually secured in the Golden Vault, under the breath of the High Priest and Archangel who is the First Witness of the First Authority of Life; even establishing Righteous Justice/Mercy (*over Rigid Justice*), as well as Conscience, Freewill, Equal Authority, and our Right to perpetual Life in the Earth and Cosmos, even our Birthright in our heavenly Father: all these are here established before all, even always, as our divinely appointed and inalienable Universal Rights, which is the point of Covenant and Sanctuary.

Therefore as I cannot submit to another Authority because of my own personal authority, I may choose of my own inviolate freewill, to have this benign, greater and ancient Authority establish knowledge and wisdom in my own mind and heart, that I need submit to none other than my own educated and enlightened Conscience, with all due respect to Cosmic Law and Authority, and to Life & Truth, with Yah's fullest inward inspiration by His holy Spirit; and so therefore am I submitting to the superior Lawgiver, aspiring to His universal Spiritual Law and Saving Truth.

Such insight into Holy Things is revealed to the Freeborn of the Universe, by the First Witness who alone can bind Heaven and Earth into One singular and formidably powerful yet benign Cosmic State which will entirely drive out the aggressive but lesser worldly authority, the Alien Slaver; and who will assimilate his disaffected even for all Time and from all Existence.

Whosoever understands the substance of these holy Things, and acknowledges the First Cosmic Authority and His First Witness, is inspired by the Spirit of Life, for none may approach these holy Things without the intervention of the High Priest (Yahshua), who is our faithful and true Guide to the great Supernatural Dimension of Life. The Truth and its proper Order is well housed in the Heavenly Sanctuary, and in its holy Things and Services; and in the testimony of its High Priest who is the First Witness of the Author of Life & Truth. Such Edifice of Life & Truth, and of Yah's Love and Mercy, stands as an Eternal witness to the supreme Authority and impeccable Integrity of our Creator Deity, Yahweh (Creator of Cosmos). This Heavenly Testimony is destined to be Secured in the Earth, even in the person of this High Priest of Eternity, forever.
